

DK155/205

Product code: DK155/205

Manufacturer: Magnescale

Magnetic linear encoder with measuring range 155mm and 205mm, 0.5 μ m as maximum resolution and A/B phase output type. The encoder has 32mm body diameter and 8mm for the shaft.

Accuracy	5 μ m (50mm) 6 μ m (100mm)
Power Supply	5 VDC $\pm$ 5%
Energetic consumption	1W
IP Index	IP64
Measurement range	155mm/205mm
