

GUV-C-S10GD

Product code: GUV-C-S10GD

Manufacturer: Genicom Co., Ltd.

Features: Aluminium Gallium Nitride Based Material, Schottky-type Photodiode, Photovoltaic Mode Operation, Good Solar Blindness.

Applications: Pure UV-C Monitoring, Sterilization Lamp Monitoring.

Wavelength	220-280 nm
Output	Current
Package	SMD 3535
Typology	AlGaN Photodiodes
